

New Jersey Women's and Gender Studies Consortium

INTERNSHIP AWARD APPLICATION

Name _____ Phone _____

Email Address _____

College or university you attend: _____

Major _____ Minor _____

Year in school _____ Expected graduation date _____

Degree expected: _____

Name, position, department and phone number of faculty recommender: _____

Name and contact information of your faculty advisor (can be the same as recommender) _____

Address where your stipend should be sent (half of the award will be sent at the time of the award and remaining funds will be sent when your advisor certifies that you have completed 90 hours in the internship):

Will you be receiving credit for the internship from your college or university? _____

On a separate sheet, answer the following questions:

- 1) What is your primary objective for undertaking this internship? Include specific goals about what you hope to learn through this experience.
- 2) How does your internship project relate to your interest in women's and gender studies? How does it relate to your course of study? What courses have you taken that will give you a background for this internship?
- 3) At this point, what have you done to obtain an internship? List the places where you have applied or places where you plan to. If you already have an internship lined up, please provide details about the internship site and the scope of your responsibilities.
- 4) How/why will this Internship award help you to complete your internship? Please explain.

5) Application should also include a letter of recommendation from a faculty member and a copy of your college or university transcript (unofficial copy is acceptable)

All application materials should be submitted to njwgsconsortium@gmail.com with ATTN: INTERNSHIP in the subject line.
