

21st Annual NJWGSC Undergraduate Research Colloquium Friday, March 28, 2025

Hosted by Rutgers University – New Brunswick

Call for Papers & Projects Submission Deadline: Feb 3, 2025

Attention faculty! Each New Jersey College/University is permitted to submit *up to three* undergraduate papers or projects for presentation at the Colloquium.

- ✓ Academic research/scholarly papers*
- ✓ Activism/Advocacy (individuals or groups)*
- ✓ Creative expression/performance (individuals or groups)*

Please note the following guidelines as you gather and finalize submissions:

- **Advocacy/Activism:** a paper submission must be included detailing the work involved. A video or website is also acceptable in addition to the paper submission.
- **Creative Expression/Performance/Art Exhibition:** students must include a written "artist's statement" of project or performance (if submission *isn't* narrative/written expression). If appropriate for the medium, include photographs or video.
- **Academic Research/Scholarly Papers:** Typically, papers submitted are 10-30 pages in length; papers by "Emerging Scholars" are often shorter. All are based on original research of some kind. If you are unsure, please inquire, see below.

*Please Note: **Digital projects accepted in all categories**

Each institution should collect papers/projects nominated by faculty and select the *three* to be submitted to the Colloquium. All submitted papers/projects will be presented at the Colloquium.

Formatting Instructions:

- **Cover Page.** Each submission must include a separate **Cover Page** attachment sent along with the submission attachment. On the **Cover Page**, please include the author(s)/artist(s)/Performer(s) Names, Paper/Project Title, Course Title, Professor's Name for which the submission was created, and the Institution Name.
- **Remove author-identifying information** from the actual submission itself except for the paper/project title on the first page (for judging).

Submit works and cover pages as Microsoft Word attachments to njwgsconsortium@gmail.com.

Before submitting the Paper/Project to the Consortium, please confirm each student nominee is available to participate **in person** on March 28, 2025, the day of the Colloquium. **The deadline for all submissions is February 3, 2025.** <https://njwgs.pages.tcnj.edu/conferences/>
